

Diploma in Finance

(N/343/4/0259) 05/24 (MQA/PSA11998)

This programme is designed to empower students with technical and analytical skills in developing solutions for financial and business issues. Students will be equipped with soft and management skills in order to meet industry needs. The programme also prepares the students with independent and critical learning skills through its curriculum and industry exposure related to finance, investment and banking.

After completion of the diploma programme, you can opt for a related degree programme from either the Faculty of Management (MMU Cyberjaya campus) or the Faculty of Business (MMU Melaka campus).
