

Diploma in Management

(N/345/4/1118) 05/24 (MQA/PSA12185)

This programme is designed to produce quality graduates who are confident, business savvy, technologically enabled, and equipped with the necessary soft skills and good ethical values needed to excel in the fast paced digital economy and beyond. In line with global trends towards a freelance economy and movements supporting innovation and business start-ups, this programme offers a special focus on developing students' skills and mindset for entrepreneurship.

After completion of this diploma programme, students who choose to further their studies can opt to continue into a bachelor's degree programme in management in either the Faculty of Business (MMU Melaka campus) or the Faculty of Management (MMU Cyberjaya campus).
