ENGINEERING

FOUNDATION IN ENGINEERING

(R2/010/3/0087) 12/22 (A8671) CYBERJAYA
(R2/010/3/0450) 03/22 (A7857) MELAKA

The one-year Foundation in Engineering programme is the preferred route for many Malaysians and international students to access engineering courses in Multimedia University. Set in a campus environment that enriches their preparation for degree studies, the programme's curriculum focuses on delivering preparatory engineering subjects to equip students with strong fundamentals in order to excel with confidence. In addition to analytical and technical knowledge, the programme also focuses on equipping students with critical thinking and interpersonal skills to succeed not only in the undergraduate studies, but more importantly, as independent life-long learners.

STRATEGIC COMMUNICATION

FOUNDATION IN COMMUNICATION

(N/321/3/0210) 04/26 (MQA/PSA14410) CYBERJAYA

Language serves as the common code of communication that humans share. Regarded as a lingua franca, English is deemed to be the universal language which people across borders adopt in order to communicate and understand each other. With that, the Foundation in English programme will be the preparatory course that prepares students to be proficient and competent in the language. This programme also aims to prepare students for the Bachelor of Communication (Strategic Communication) (Hons.), as well as to provide them with exposure to campus life.

BUSINESS & MANAGEMENT

FOUNDATION IN BUSINESS

(R2/010/3/0452) 03/22 (A7859) MELAKA

This one-year foundation programme equips students with fundamental business knowledge and competency to pursue degrees in various fields of business prior to embarking in the business degree programme of their choice. The foundation programme is a comprehensive programme that ensures that students are well-equipped with the knowledge, skills and aptitude to progress from the high school to university degree studies. Students will also be taught soft skills that include critical thinking, writing and presentation skills as well as tasked with hands-on entrepreneurship projects, industry relevant field trips, and talks by representatives of the industry.

FOUNDATION IN MANAGEMENT

(R2/010/3/0192) 06/24 (A9589) CYBERJAYA

The Faculty of Management meticulously designed its Foundation in Management programme to provide the necessary fundamental skills in management, finance and business. These skills prepare our foundation students to be more adaptive when they embark in our various Bachelor programmes in accounting, economics, management, marketing, finance and enterprise management. The Foundation in Management is a one-year foundation programme, the preferred pathway to undergraduate studies.
