Establishment Date	: 16 July 2024
Last Amendment Date	: 7 April 2026
Version	: 2
Responsible Division	: Support Service Office (SSO)

(A) Purpose

The University (“Multimedia University” or “MMU”) Climate Action Policy outlines our strategy to ensure continuous improvement in managing and minimising harmful emission to support and align with Malaysia’s path to Net Zero Emission by 2050. This policy is guided by principles of sustainability, resilience, and social equity. It encompasses measures across various sectors, including energy, transportation, waste management, education, and research.

- (i) Strategy 1: Improve Energy Efficiency: Promote Green Energy and Saving
- (ii) Strategy 2: Improve Water Consumption: Promote Water Saving and Rainwater Harvesting
- (iii) Strategy 3: Improve Waste Management: Promote Reduce, Reuse, and Recycle
- (iv) Strategy 4: Improve Commuting Efficiency: Promote Use of Public Transportation, EV and Replace travelling with Virtual Event
- (v) Strategy 5: Promote Awareness via Education: Dedicated Subjects and Knowledge Outreach on Sustainability
- (vi) Strategy 6: Promote Innovation via Research: Promote Research and Discovery in Environmental Sustainability and Climate Action

(B) Implementation and Review

MMU will implement the climate action initiatives progressively, in phases through achievable plans and institutional priorities. This policy will be reviewed periodically to ensure relevance and alignment with institutional goals and resources, and regulatory requirements and development.
