

POSTGRADUATE

LEADING THE
DIGITAL
FUTURE

WELCOME TO MMU!

Welcome to Multimedia University (MMU).

Choosing a university is an important milestone that marks the beginning of a meaningful academic and personal journey. At MMU, we are committed to providing an education that not only builds academic excellence but also nurtures character, confidence, and purpose.

Our programmes are designed to prepare students for a rapidly evolving world. Through a strong emphasis on industry engagement, hands-on learning, and innovative teaching, we ensure that our graduates are equipped with the knowledge, skills, and adaptability needed to succeed in their chosen fields.

Beyond academics, MMU offers a supportive and inclusive campus environment where students are encouraged to discover their strengths, pursue their passions, and grow as responsible global citizens. We take pride in fostering a community that values creativity, critical thinking, and lifelong learning.

We look forward to welcoming you into the MMU family and supporting you every step of the way.

Thank you.

RESEARCH-LED INDUSTRY-DRIVEN UNIVERSITY

As a research-led, industry-driven university, MMU organises its research activities under 7 dynamic Centres of Excellence (COE) which are the COE for Advanced Cloud, COE for Artificial Intelligence, COE for Intelligent Network, COE for Immersive Experience, COE for Robotics and Sensing Technologies, COE for Sustainability and Governance, and COE for Business Innovation and Communication.

Within these COEs, various research centres and labs exist to drive the research activities in these COEs and they work seamlessly across labs and COEs to conduct impactful research. These research centres and labs have dedicated physical facilities and spaces as well as administrative and professional support staff.

At MMU, we actively foster strong academia-industry collaborations to ensure our students are industry-ready and future-focused.

Transform Your Work Experience into Academic Achievement

MMU's Accreditation of Prior Experiential Learning (APEL) recognises your professional experience by converting it into academic credit, allowing access to degree or master's programs without traditional qualifications. This flexible, industry-aligned pathway saves time and cost while leading to a fully accredited qualification respected by employers and institutions worldwide.

Advance Your Career with MMU Micro-Credentials

Micro-credentials at Multimedia University are designed to meet today's fast-changing industry demands by focusing on specific, job-ready skills.

These short, targeted courses help learners stay competitive, ensuring their qualifications remain relevant and recognized by employers across various sectors. Whether you are upskilling, reskilling, or enhancing your professional profile, MMU's micro-credentials provide a flexible and practical pathway to career growth.

Offered as either standalone courses or credit bearing courses developed from accredited academic programs, MMU micro-credentials support continuous professional development at every stage of your career.

Upon successful completion, learners are awarded digital badges that can be easily shared with employers and professional networks, clearly showcasing verified skills and industry-aligned expertise.

For credit bearing micro-credential courses, learners will also receive the Malaysia Micro-credential Statement (MMS) that can be used for credit transfer purposes.

Well-rounded Education

Gain a solid foundation in your field while developing entrepreneurial skills and industry-relevant expertise, equipping you to thrive in today's competitive job market.

Industry on Campus

Benefit from direct access to our state-of-the-art labs, established through partnerships with leading global companies such as ZTE, HUAWEI, Microsoft, Intel, MCMC, AGMO Studio and many more.
